First County Bank and its foundation have donated \$3,500 to the Greenwich Arts Council for an enhanced arts education program serving low income families to help support this year's July 10 Sand Blast sand sculpture festival at Tod's Point.

The Greenwich Arts Council's perennially popular Sand Blast festival will be held once again on the broad Greenwich Point beach. Sand Blast is a fun family event for all. There is no specific theme for sand sculptures, and participants are encouraged to indulge their imaginations enjoying the experience of creating art in the sand.

The Greenwich Department of Parks and Recreation, the Arts Council's longstanding partner in this event, will co-host this year's festival. The event is scheduled for Saturday, July 10, from 1:30 to 4:30 with a rain date of Sunday, July 11, at 2:30.

For rain date information, participants should call the Greenwich Parks & Recreation Activities hotline at 203-618-7650.
