

Letter: Our heartfelt thanks for First County Bank Foundation

To the Editor:

Waveny LifeCare Network is honored to announce that it has been selected as a 2016 recipient of a generous grant from [First County Bank Foundation](#).

This gift will be used to fund the required onsite staff training for our entire clinical team when transitioning from paper to the digital realm with the implementation of an Electronic Medical Record environment throughout the Network.

Due to the generosity and overwhelming response of local organizations like First County Bank Foundation, Waveny is able to consistently deliver the most advanced innovations available to the healthcare community. We, and those we serve, deeply value your generosity and your belief in our mission. Our heartfelt thanks for your support throughout the years.
