

First County Bank Foundation Grants SPEF \$3,500 For Its Nationally-Recognized Mentoring Program

By The Stamford Public Education Foundation (SPEF)

STAMFORD, CT - The Stamford Public Education Foundation (SPEF) on Thursday announced it has been granted \$3,500 from First County Bank Foundation to support its Stamford Mentoring Program, which was launched in 2010. This program provides students who need additional academic and/or social support with the resources and guidance required to be successful during middle school, high school and in all college/career endeavors.
