

## Calf Pasture picnic

NORWALK — Get everyone together, pack a picnic and comfortable seating, then head to Calf Pasture Beach on Wednesday, Sept. 2, for this year's final vintage car show and First County Bank Concert. At 6 p.m. the Coachmen Rod and Custom Club will host a gathering of more than 100 classic vehicles (1981 and before) from throughout the tri-state area. The concert by Keith Marron's Whistleville Band begins at 7 p.m. This group, which is named after the neighborhood just west of the South Norwalk train station, performs a unique blend of traditional and contemporary Country and Western music. A \$10.00 parking fee is charged for cars without a Norwalk beach pass. Call 203-854-7938 for cancellation information -- the rain date is Thursday, Sept. 3.
