Fee Description	Fee Amount
Currency Conversion Assessment CCA Fee	The Currency Conversion Assessment CCA Fee is .20% of 1.10% of any transaction where the country code of the merchant does not equal the country code of the account range. For Debit MasterCard® card international transactions, we will use as the exchange rate of the Debit MasterCard® either the (i) wholesale market rate or (ii) the government-mandated rate, in effect one day prior to the transaction processing date. This conversion factor is increased by .20% to determine the total Currency Conversion Assessment.
Cross Border Assessment ICA Fee	The Cross Border Assessment ICA Fee is .90 of 1.10% of the transaction amount of any cross-border transaction processed through the Dual Message System (signature-based) or Single Message System (PIN -based). This fee applies to any transaction conducted using a credit or debit Cirrus®, Maestro®, or MasterCard card in which the country code of the merchant does not equal the country code of the account range.
Int'l Services Assessment (ELN)	A fee of 1.00% of the transaction amount may be added to any transaction that utilizes the Global Payment System. The fee is separate from any Currency Conversion Assessment CCA Fee or Cross Border Assessment ICA Fee that may be applied to your transaction.
Incoming Wire Transfers	Domestic: \$15.00 Foreign (In-clearing through Atlantic Community Bankers Bank): \$26.00 Foreign (In-clearing through Federal Reserve): \$15.00

¹ If at any time during the statement cycle period the end of day daily collected balance available is below the stipulated amount, the Monthly Service charges may apply. The FirstRate Business MoneyMarket must be opened at our Fairfield branch office located at 1312 Post Road, Fairfield, CT with funds not currently on deposit with First County Bank. The FlashRate Business MoneyMarket must be opened: at a branch office location; with funds not currently on deposit at First County Bank; and within the Effective Date Period.

² Charge may appear on periodic statement in either manner: (1) The amount of charge is a separate line item; or (2) The amount of charge is added to the amount of the monetary instrument purchased and will appear as a lump sum withdrawal.

³ Additional terms, conditions and fees may apply. Cash Management Services will not be individually itemized on your periodic statement but will appear as one (1) fee titled "Cash Management Services Fees". Earnings credit may offset some Cash Management Services Fees. The earnings credit rate is variable and may be changed at our discretion without notice and is applied when your balances reach a minimum bank-established balance level. The earnings credit allowance applies only to the current statement cycle. You may request an Analysis Statement that itemizes Cash Management Services fees and earnings credits applied.

⁴ A check scanning device is required for Commercial Capture Express. Additional fees for the scanning device may apply and, if applicable, will appear on your Analysis Statement as "Commercial Capture Device Fee".
