

## CommunityFirst GRANT APPLICATION

First County Bank Foundation, Inc.

Through the dedication and charitable nature of First County Bank, its Directors, Corporators, Officers and Employees, the Bank strives to make a difference in the communities that it serves. This is accomplished by helping to ensure that local charitable needs continue to be met.

Established in 2001 in honor of First County Bank's 150th anniversary, the First County Bank Foundation, Inc. was created to distribute funds annually to nonprofit organizations that support community and economic development, increase the availability of affordable housing and programs that support quality of life and educational enrichment for families and children. As a mutual community bank, First County Bank has no stockholders; the Bank considers contributions made to the Foundation as a means of paying dividends back to the local communities it serves. Those communities include the areas in lower Fairfield County where the Bank's branches are located: Stamford, Norwalk, Darien, Greenwich, New Canaan and Westport.
